

SUPPORT SERVICES

Due to the sensitive nature of topics covered in our training, some individuals may feel the need for support. Safeguarding Children has compiled a list of service providers who can help or guide you in the right direction for support.

If your safety is at risk, contact 111 immediately.

GENERAL

- **Family Services Directory**
A great resource to find a specific service provider to help you. Please let others know about it.
www.familyservices.govt.nz/directory
